*“Cambridge University Hospitals NHS Foundation Trust used to produce more than 2,000 tonnes of clinical waste per annum. With the implementation of Safe Management of Healthcare Waste document and EPR5.07 Clinical Waste Guidance document requiring pre-acceptance audits for clinical wastes during 2011, we asked Independent Safety Services and Dr. Anne Woolridge to carry out pre-acceptance audits across the Trust for our laboratory and embedded University departments across the Trust.”*

*“The information provided was clear and concise with easy recommendations to follow ensuring compliance with both regulation and guidance is in place; I would strongly recommend both Independent Safety Services and Dr. Anne Woolridge to any acute trust in the future, as they are always helpful and friendly providing excellent advice and guidance.”*

**Victoria Sawford, Environmental Services Manager, Addenbrooke’s Hospital**

*“At ISSL we pride ourselves in providing a high quality and comprehensive consulting, auditing and training service at cost efficient rates to our clients. As our company name implies, we are totally independent so able to form appropriate opinions and recommendations without any conflict of interest or commercial gain from other commercial entities such as waste contractors, packaging suppliers”.*
